

Hi, I'm Karina. I'm a Full Stack Developer in training. And if you're hiring, you should nab me while I'm still (relatively) cheap.

Work History.

Skills.

... ipsum dolor sit amet, consectetur adipiscing elit. Proin vestibulum risus sapien, nec convallis enim eleifend a. Phasellus facilisis tincidunt risus, eget vestibulum est iaculis quis. Pellentesque et mauris sed neque tincidunt ornare sed quis ipsum. Nullam metus est, tristique non leo ultricies, sollicitudin auctor lectus. Fusce nulla libero, consequat at pretium vitae, condimentum ut purus. Curabitur malesuada ullamcorper dapibus. Morbi convallis pharetra luctus. Aliquam nec libero non dui commodo feugiat. In lectus risus, dignissim eget fringilla in, tempor eu enim. Morbi ut ex vehicula, eleifend lorem in, tincidunt dolor.

soft skills

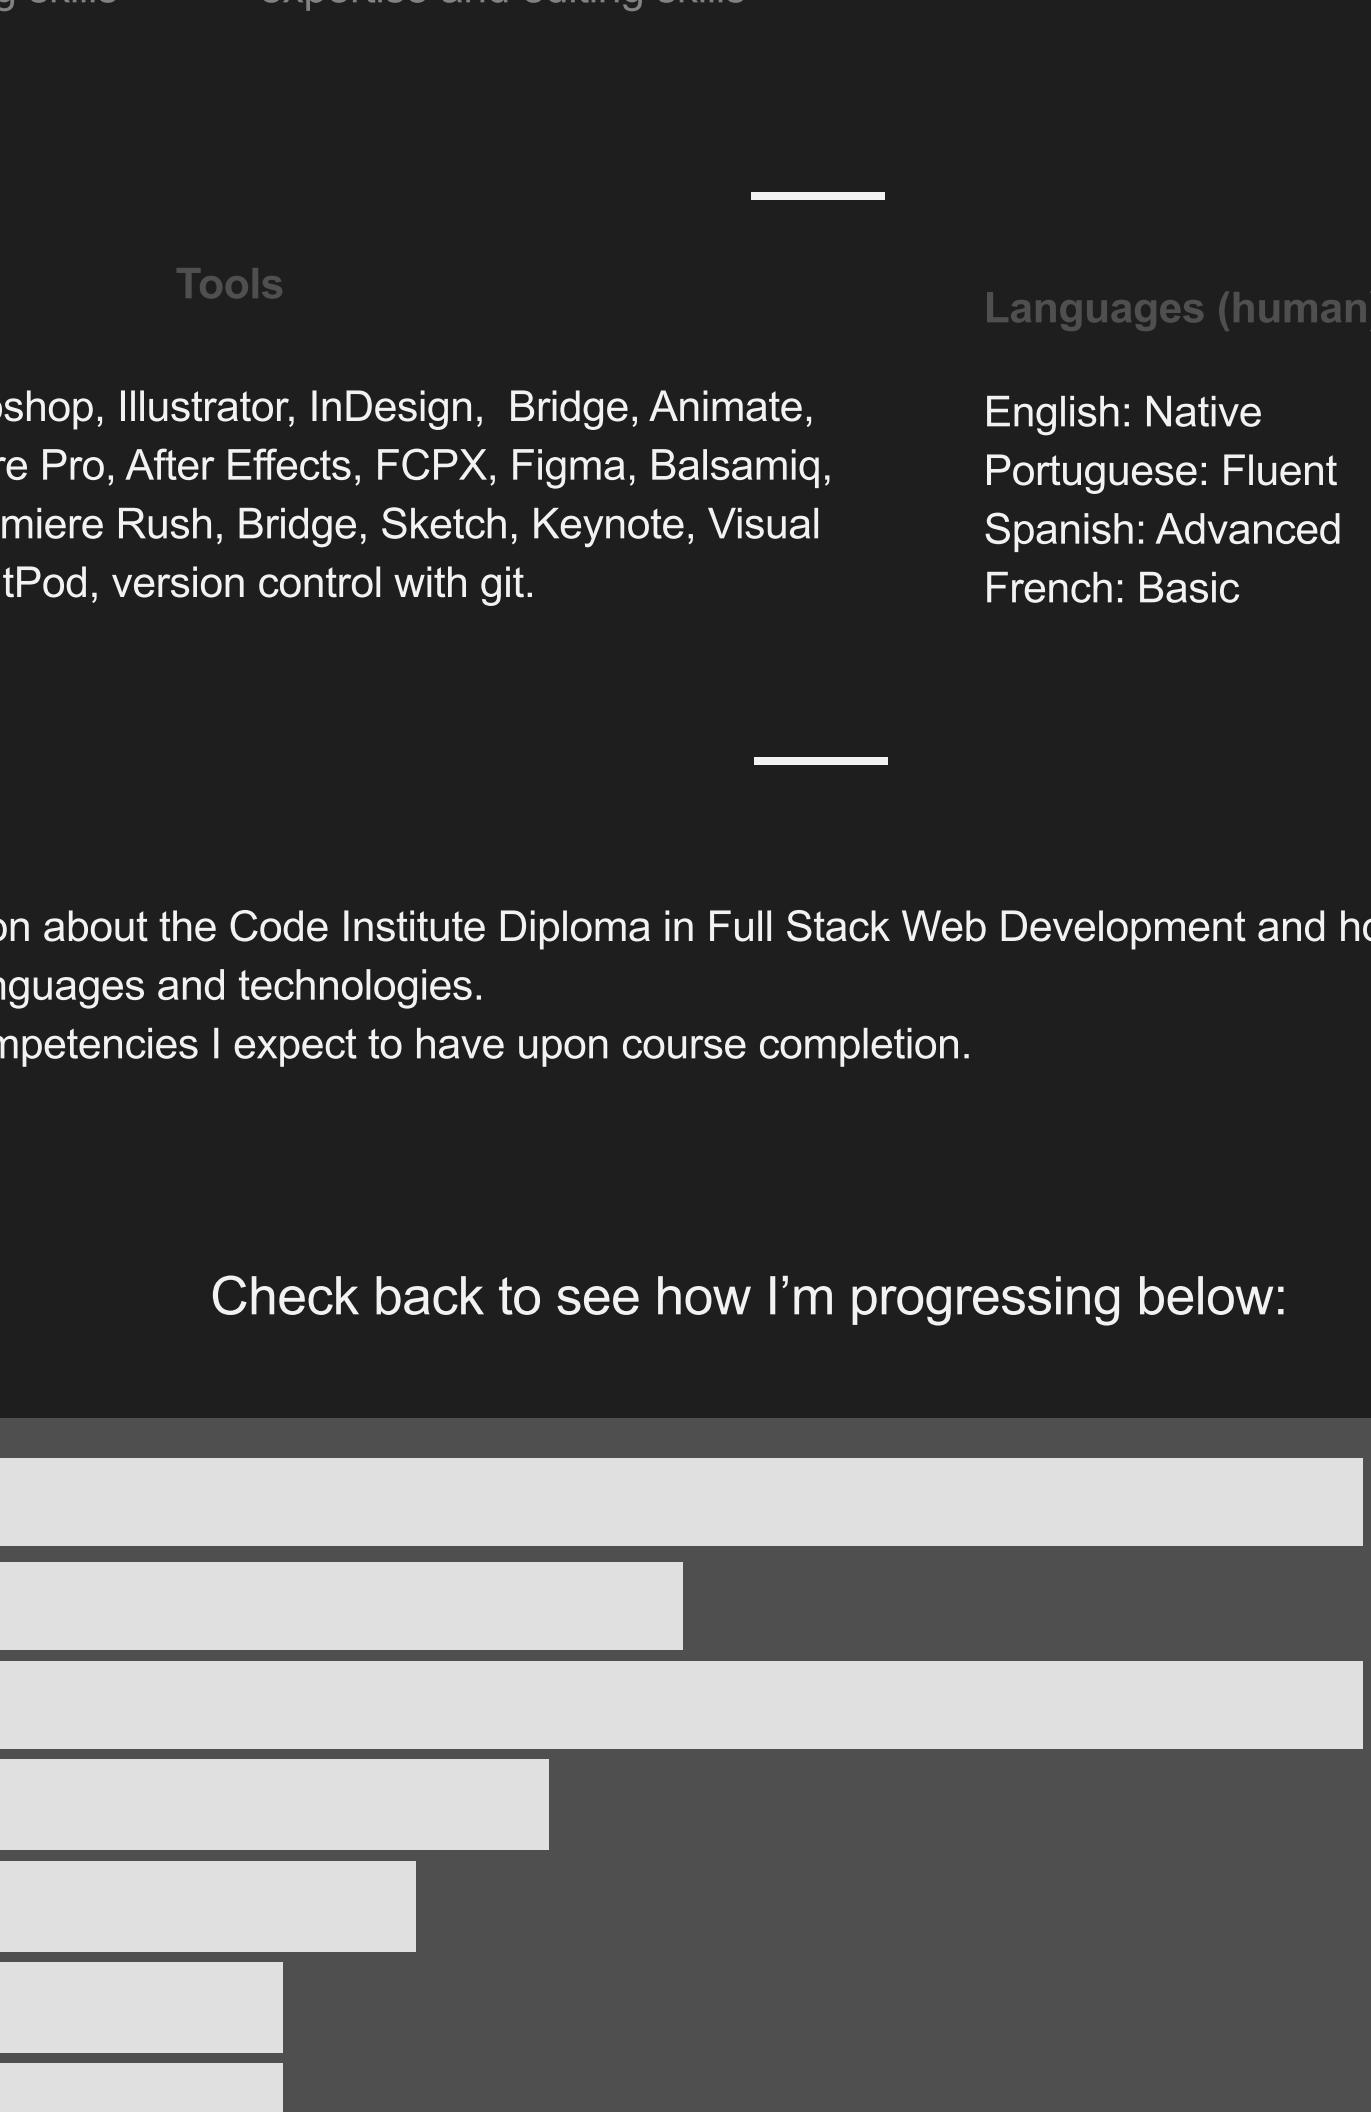

- strong time management
- team player
- flexibility
- excellent communicator

hard skills

Hi, I'm **Karina**. I'm a Full Stack Developer in training. And if you're hiring, you should nab me while I'm still (relatively) cheap.

Work History.

Skills.

Some information here about my skillset in the context of work I've done already. Broad skills that I have, maybe list my soft skills here? Some information here about my skillset in the context of work I've done already. Broad skills that I have, maybe list my soft skills here?

Photography

A bit about my photography expertise and editing skills

Videography

A bit about my videography expertise and editing skills

Design

A bit about my design skills and where I've used them.

UX/UI

A bit about UX/UI interest and learning.

Tools

Lightroom, Photoshop, Illustrator, InDesign, Bridge, Animate, Audition, Premiere Pro, After Effects, FCPX, Figma, Balsamiq, inVision, XD, Premiere Rush, Bridge, Sketch, Keynote, Visual Studio, GitHub, gitPod, version control with git.

Weddings by KARA

wedding photography website

goals: create a website that will entice couples engaged to be married to hire Weddings by KARA

features: a customized Squarespace website that highlights their strong wedding photography brand image. Multiple galleries, informational pages as well as an integrated blog.

my role: creative, concept, copywriting, UX, production, photographic editing, video production, creative, seo, technology

Acupuncture Clinic

website for a Dublin-based acupuncturist

goals: build a website to showcase and drive business to Acupuncture Clinic in Dublin.

features: landing page, about page, information about the kinds of treatments available, contact page with locations and opening hours.

my role: production, photographic editing, UX, design, creative, technology

git / 75%
Django / 50%
JavaScript / 75%

Selected Projects.

Captain James Kelly - Memorial Website

website for information about the late Cap. James Kelly

goals: to create a website to act as an information hub about the man, his life and his history.

features: still in discussion. But the site will definitely require pages for information and galleries. For ease of updating by the site owner it will probably be built with a CMS.

my role: production, photographic editing, UX, design, creative, technology

Port Pictures

website for an Irish Production Company

Port Pictures

website for an Irish Production Company

goals: they require a complete website re-design to increase their perceived brand value among investors and co-producers.

features: a single page scrolling website that includes Karina's work history, her skillset and a portfolio of her work

Karina Finegan CV

online cv website

features: a customized Squarespace website that highlights their strong wedding photography brand image. Multiple galleries, informational pages as well as an integrated blog.

my role: creative, concept, copywriting, UX, production, photographic editing, video production, creative, seo, technology

Itaque earum rerum hic tenetur a sapiente delectus, ut aut reiciendis voluptatibus maiores alias consequatur aut perferendis doloribus.

PHOTOGRAPHY

Photographic expert.

Worked in industry in

many capacities for over

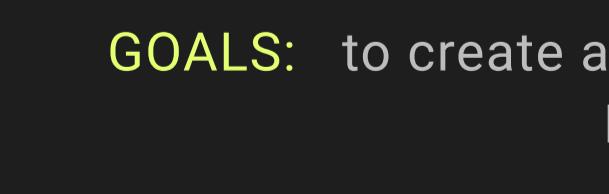

10 years. Shooting,

editing, professional

retouching and advanced

photography

manipulation techniques.

VIDEOGRAPHY

Extensive experience

planning, producing,

shooting and editing

professional videos for

commercial use. Also high

competency using After

Effects for video

manipulation.

DESIGN

Worked as a freelance

designer for print media

in the music, television

and feature film industry.

Both in Ireland and

abroad. I have a good

grasp of both Illustrator

and InDesign.

UX/UI

I am very interested in

UXD and UI and have

been studying it

informally for a while. I

am looking forward to

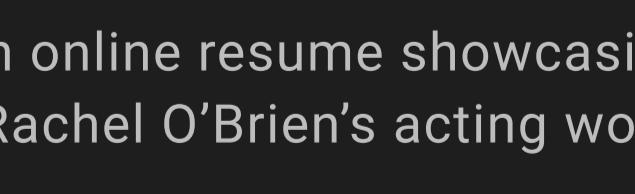

learning more and

applying concepts to my

development work.

TOOLS.

Lightroom, Photoshop, Illustrator, InDesign, Bridge, Animate, Audition, Premiere Pro, After Effects, FCPX, Figma, Balsamiq, inVision, XD, Premiere Rush, Bridge, Sketch, Keynote, Visual Studio, GitHub, gitPod, version control with git.

I am currently undertaking a Diploma in Full Stack Software Development with Code Institute, Europe's only university credit-rated coding bootcamp. The stack I will be proficient in upon completion is the following: HTML, CSS, Bootstrap, JavaScript, Python, d3.js, SQL/NoSQL, Mongo DB & Django. Additionally I am using git for version control and Figma for UXD and wireframing.
